We ask that all users keep academic honesty in mind when asking or answering questions. For example, feel free to ask questions that will help you answer a homework question on your own, but please refrain from asking the exact question from an assignment in order to turn in the tutor's answer as your own. In the same vein, tutors should keep in mind how their answers can help a student in the long run. Answering questions in a way that leads a student to understand how to arrive at the ...
