Fragile was Yes' breakthrough album, propelling them in a matter of weeks from a cult act to an international phenomenon; not coincidentally, it also marked the point where all of the elements of the music (and more) that would define their success for more than a decade fell into place fully formed.

Fragile - Yes | Songs, Reviews, Credits | AllMusic

Fragile X syndrome (FXS) is a rare genetic disorder that has a major effect on a person's life. It is the most common cause of inherited intellectual disability, yet there are still many unanswered questions about its effect on the day-to-day lives of people living with FXS and their families.

Fragile X syndrome: Learning what families need, one ...

Fragile is a slow, well-developed, character driven tale. It almost felt like a psychological analysis of family relationships and small town dynamics, with a plot thrown in for good measure. The story was intriguing, but I feel like I've fallen into the trap of wanting twists and turns with my thrillers, and this one is relatively straightforward.

Fragile (The Hollows, #1) by Lisa Unger

Late 15th century (in the sense 'morally weak'): from Latin fragilis, from frangere 'to break'. The sense 'liable to break' dates from the mid 16th century.
