Autumn is the most beautiful of the seasons. I liked all 3 reflections, but the one about the burning bush made me smile. In my former high-desert country I planted my first one of these. The garden employee told me to make sure it got water in the winter, too. You guessed it....I killed the poor thing.

The reflection toolkit. Reflection requires a number of skills which can easily be developed. Self-awareness - an ability to pause, to pay attention to thoughts and feelings and to self-question non-judgementally. This will help you to become aware of your habitual ways of thinking and behaving in any given situation).
