The Vanishing Game Kate Kae

The Vanishing Game is a little different than what we normally read and review here on the blog. The book has a bit of romance, but it's secondary (or thirdly, even) to the mystery and suspense of following the clues and finding out whether or not Jocelyn's twin brother is alive, or has faked his death and gone into hiding.

The Vanishing Game will drive you along a shocking path fraught with hints of the paranomrla and the sadistic. . . . The perfect example of a YA ...

The Vanishing Game by Kate Kae Myers, Paperback | Barnes ...

The premise of The Vanishing Game, written in the first person from Jocelyn's point-of-view, was really clever, though I did not realize it until the end. And this is really one of those books that you have to withhold judgement on until the very end.

This is the book trailer for "The Vanishing Game" by Kate Kae Myers. "The only person seventeen-year-old Jocelyn has ever been able to depend on is her brother Jack. That's why she's devastated by ...

The Vanishing Game

Rating The Vanishing Game By: Kate Kae Myers The external conflict is that Jocelyn's twin brother worked for the ISI and they sent her and her foster family a letter saying that Jack was dead. Then a few months later she found an envelope that had Jason December written on the

The Vanishing Game by Samantha Adams - Prezi

Today I finished "The Vanishing Game" by Kate Kae Myers. It was amazing, but once I got to the last 20 pages or so, I got confused. So I really just need a clear runthrough of the ending. What confused me? *When Sam Marvin explained to Noah about Jocelyn's multiple personality thing (I understand how it works but they said it as if Jocelyn's looks changed to Jack's looks which isn't possible ...

Review: The Vanishing Game by Kate Kae Myers | Xpresso Reads

The *Vanishing Game* is the debut novel of Kate Kae Myers. It is a young-adult paranormal fiction that was thoroughly entertaining. Complete with an evil house, creepy characters and a slew of clues that kept me guessing. The synopsis promises an ending that will shock you and shock me it did.

Caffeinated Reviewer | The Vanishing Game by Kate Kae Myers

The only thing that didn't really work for me in the book was the paranormal element. It was never fully explained, and was only there when it was convenient. I wish there were more answers about the strange powers Seale House seemed to have. That's my only qualm. If you love mysteries, I definitely recommend *The Vanishing Game* by Kate Kae Myers.
