Yes. To meet the needs of our community, UCHealth is offering both the COVID-19 nasopharyngeal swab ("nasal swab") test, which detects the presence of the virus, and the blood test, which measures for the presence of antibodies - find detailed information here.Using My Health Connection (patient portal), new and existing patients can request an order for either test.

UCHealth - Live Extraordinary
The UCH (Unite Centrale Habitable) is an electronic control module that is fitted to many late model Renaults (early 2000's onwards.) It is responsible for controlling many of the non-engine related functions of the car, such as central locking, electric windows, and even some of the lights (e.g. indicators.)

UCH what does it control and what does it stand for ...
