How to Form Shapes Out of Wire | Jewelry 101 - YouTube

If you want to make a simple ring that you can wear on your finger, then what I do is cut the wire or rod in the length that I will need. make sure the ends are flat and smooth - file or sand them flat. Then bend the wire until the two ends are butted right up next to each other. Don't worry about making it round at this point, that will come later.

Defensive end J.J. Watt was encouraged by the results from the 27-20 win over the New England Patriots Sunday afternoon at NRG Stadium. "It's no secret that our defense hasn't been playing at the level that we expect to play at or that we want to play at, so we're obviously trying to, every single week, trying to turn that around." Watt said.
